Lifting Academic Holds

Holds Lifted:

An academic hold can be in place for a variety of reasons, if it is a probation hold, it will have to be lifted by the department, so you will need to schedule an appointment to have probation advising and then the hold will be lifted. The HUSR Department can only lift probation holds.

If you check your student portal, you will see the “holds” box and it should say “No Holds”, but if you have a hold, you need to see where the hold is from such as EOP, the Health Center, Financial Aid etc. and contact that department to have the hold lifted

Preparing for Graduation

- ◆ **College Advising: Mandatory Overview Session: Preparing for Graduation** is required by the college around 85 units. You must attend or will have a hold placed on you, preventing you from registering.
- ◆ **HUSR Grad Checks** are required one semester prior to graduation
 - Must have filed for grad check on portal (initiated 1 year prior to grad date)
 - Watch e-blasts and email for invitation to attend prior to registering for last semester courses and will attend after you have registered for your final semester.

Scheduling Advising Appointments

To schedule an appointment with an HUSR advisor, go to the main HUSR Webpage and click on the BOOK NOW link at the bottom of the page. You will be able to view both **Ramona Perez's** and **Kristin Nguyen's** availabilities. Note that the system books 30 days out and then adds a new day each day after that.

For **Fieldwork Advising** you will select Juli Martinez, the fieldwork coordinator at Julimartinez@Fullerton.edu or the fieldwork intern.

For issues related to registration, course exceptions, and assistance with other special situations, you can email husradvising@fullerton.edu and either Ramona or Kristin will respond.
