GRADUATE ASSISTANSHIP (GA)

GAs assist faculty with various duties such as collecting, organizing and analyzing data, supervising laboratories, developing source materials, searching the literature and compiling bibliographies, developing and operating research equipment, assisting in the conduct of experiments, evaluating student work and examinations and preparing course materials and instructional aides.

In general, GA assignments involve the following:

- **DURATION:** GA assignments are usually for between 5-10 hours per week for the duration of the semester. Please note that you are limited to working a total of 20 hours on campus, so keep this in mind when applying for a GA position.

- **STIPEND:** Up to $2,500 per semester (payable in 5 monthly installments) depending upon the number of hours worked per week.

- **QUALIFICATIONS:** Applicants must be accepted into the MPH degree program in Health Science at California State University, Fullerton prior to the start of the semester.

- **APPLICATION:** Submit the following to Ms. Mary Aboud (maboud@fullerton.edu): 1) letter of application that includes your projected number of available hours and research interests, and 2) an updated curriculum vita or resume. **Continuing GAs should not submit an application, but rather discuss their continuing interests and eligibility with faculty.**

**DEADLINES:**

- For consideration for fall GA appointment, submit application **by August 1st**
- For consideration for spring GA appointment, submit application **by January 5th**
