IN THE SENIOR ROTC PROGRAM**

1. This endorsement becomes a part of the Army Senior Reserve Officers' Training Corps Scholarship Cadet Contract (DA Form 597-3) between the Cadet and the Professor of Military Science on behalf of the Secretary of the Army.
2. The Secretary of the Army agrees that under present circumstances, my service in the Active Component will not be required upon completion of my degree requirements and successful completion of the Senior Reserve Officers' Training Corps (SROTC). I will instead serve an initial period of active duty for training (ADT), and remain a satisfactory participant in the Reserve Components (RC) for the period specified in Part I of my ROTC Cadet Contract. Applicable law and regulations will govern my services in the RC.
3. As a GRFD Scholarship Cadet, I agree to the following:
 - a. To participate in the Simultaneous Membership Program (SMP). The PMS will assist me in locating a RC unit within reasonable commuting distance (AR 140-10) that has a valid officer training vacancy and accepts me into the unit. If no vacancy is available, I will continue to seek participation in a RC unit until I find a unit vacancy. I will complete all ROTC requirements, complete a baccalaureate degree and commission.
 - b. I will not be commissioned under the provisions of the Early Commissioning Program (ECP) if I am not a graduate of a Military Junior College (MJC).
(Initials)
 - c. I may not revoke this GRFD endorsement and apply for accession into Active Component (unless I am a Cadet at a MJC or I have been selected to participate in the Health Professions Scholarship Program (HPSP) or the Uniformed Services University of the Health Sciences (USUHS).
(Initials)
 - d. If am a Dedicated Army National Guard Scholarship Cadet, I further understand and agree that upon commissioning, my military service obligation, after an initial ADT period, can only be fulfilled through service in the Army National Guard.
(Initials)
 - e. If am a Dedicated United States Army Reserve Scholarship Cadet, I further understand and agree that upon commissioning, my military service obligation, after an initial ADT period, can only be fulfilled through service in the U.S. Army Reserve.
(Initials)
 - f. If I accept this scholarship and I am subsequently dis-enrolled from ROTC, I will remain in an enlisted status in the RC and subject to be directed to initial ADT at the discretion of the component.
(Initials)
 - g. I understand that this is a Guaranteed Reserve Forces Duty scholarship offer. GRFD Control Numbers cannot be revoked, and I will not be able to compete for Active Duty except when meeting the requirements of Title 10 USC §2107a(b)3(a&b).
(Initials)

**PART I - AGREEMENT OF GRFD SCHOLARSHIP CADET CONTRACTING
IN THE SENIOR ROTC PROGRAM (Continued)**

4. Upon completion of the SROTC Program and receipt of a baccalaureate degree (associate degree for MJC graduates), I will be commissioned through the United States Army Reserve (USAR) Control Group (AT) and assigned to a USAR unit or appointed in the Army National Guard(ARNG) for assignment to an ARNG unit. I will then be obligated to serve an initial period of ADT and perform the remainder of my service obligation in the RC, as governed by applicable laws and regulations (AR 135-91). If assigned to an RC unit, I will attend required drill periods and an annual ADT. I will be required to travel within a 50-mile radius to participate in required drill sessions (AR 140-10).

5. After commissioning and Basic Officer Leadership Course completion, if I am not initially assigned to a RC unit, I will be assigned to the USAR Control Group (AT). I understand that while so assigned, I will be subject to mandatory assignment, at any time, to an RC unit. As a member of the USAR Control Group (AT), I am obligated to serve a period of ADT. On completion of this initial ADT, I will be liable for a prescribed period of annual ADT (presently not more than 30 days a year).

6. Terms of this agreement may be modified, following either statutory change or a Secretary of the Army determination that the needs of the Army so require.
